

Stress Less Dog Agility

Presented by

Judge and Behaviorist, Scott Casino

May 7, 2020 12:00 to 5:00pm

Finny Farm, 6474 Morganton Road Greenback, TN 37742.

This seminar is designed to help you identify, alleviate, and avoid stress with your agility partner.

Does your dog lunge at the end of their leash, excessively bark, escalate predictably, run off and sniff, avoid things in trial that they don't in practice, nip, bite, or just generally not perform already trained behaviors? Then this seminar is for you.

This is a working clinic that will consist of 2 hours of lecture time, and 3 hours of working with the dogs. Working spots are limited to 12 dog/handler teams and the cost is \$100. Cost to audit the clinic is \$50. Please bring plenty of high value treats or high value toys for your dog.
